### Customs Routine Patrol Reveals Ammunition Stash

BASSETERRE, ST. KITTS, July 14, 2011(Customs PRO) - While conducting a routine patrol of the Transit Shed 1 on Thursday July 14, Customs Officers came across an unmarked package hidden in a remote area of the said warehouse.

Upon opening this package the officers found a number of sealed packets which were found to contain 1 Calibre .380 pistol, 2 lower receivers, 3 upper receivers, 4 magazine clips with 38 rounds of ammunition.

A closer examination of the rounds revealed that 30 of them are hollow point.

Officers of the Criminal Investigations Department of the Royal St. Christopher and Nevis Police Force were called in to inventory the find and assist in further investigations.
